

## Whitefish Bay Middle School Course Selection

Course descriptions can be found on our website:

<https://www.wfbschools.com/schools/middle/academics/academicprogramming.cfm>

7th grade students have three periods per day for elective classes. All students take the Exploratory Wheel (Green Architecture, Art, Computer Science Discoveries, and Theatrics: An Introduction to Drama) during one of these periods. Another period is for every other day Physical Education, opposite a World Language (German, Spanish, or French). **Students are required to take the same language they took in 6<sup>th</sup> grade.** The final period is reserved for music (Band, Choir, or Orchestra, or a combination of two of these ensembles). There is an option for a Daily Study Hall instead of music, however, this is not recommended for most students. \*Applicable fee

**Please choose the same language that was taken in 6<sup>th</sup> grade.**

- French
- Spanish
- German

**Please choose one of the following courses.**
