

Whitefish Bay Middle School Course Selection

Course descriptions can be found on our website: www.wfbschools.com/schools/middle/academics/academicprogramming.cfm

All 8th grade students have twelve (12) quarters of elective courses. Two (2) quarters are reserved for Physical Education and one (1) quarter is for Health. The other nine (9) quarters are open for student choice. Please choose the options below to total nine (9) quarters. Also, please list alternate choices below, as scheduling conflicts may occur. Alternates must be different than other selections. No alternates needed for French, Spanish, German, Band, Choir, Orchestra. PLEASE MAKE SELECTIONS CAREFULLY. Once schedules have been made, they may not be able to be altered. Please know that if your student receives intervention or Special Education services they may not be able to have all choices available. *Applicable fee
