**BRAVELANDS #2: Code of Honor**

Did you know there are actually FIVE Erin Hunters!? Yes, it's true. One writes *Warriors*, and Gillian Philip writes the *Survivors* series about dogs as well as the new *Bravelands*, set on the African savannah. Reviewers called the first book, **BROKEN PRIDE**, "A wild and wonderful adventure." In the second installment, a young lion, baboon, and elephant come together to solve a mystery.
