*\*Details about and permission slips for each meet will follow.*

#### *Parents & Students!*

*Please note the changes in the schedule above. We are back to our original choice of Oak Creek East Middle School on Saturday, February 11, 2012, which is great news since it's closer than West Bend. And we have cancelled the Friday night meet at Morse-Marshall MS (March 2) because the MLFA organization asked us to scale back to 5 versus 6 meets this year. That's also good news since that meet was a very late night ending at almost 11:00 PM. We are registered for all of the meets except the state meet which cannot be done until the regular season ends. So all systems are GO for now! Thanks for your patience!*
