

Our Kids are NOT Broken

REDgen

A workshop to help our children thrive

Tuesday, March 21, 2017 • 8:30-11:45 AM

at the Harry & Rose Samson Family JCC • 6255 N. Santa Monica Blvd., Whitefish Bay

Join us as we gain insights from **Dr. Kenneth Ginsburg, M.D., M.S. Ed**, a pediatrician specializing in Adolescent Medicine at The Children's Hospital of Philadelphia and a Professor of Pediatrics at the University of Pennsylvania School of Medicine.

The theme, tying together his clinical practice, teaching, research and advocacy efforts is that of building on the strength of teenagers by fostering their internal resilience. His goal: translate the best of research and practice into practical approaches.

He wants to give parents, professionals and communities ideas that they can use to prepare children and teens to thrive.

FREE • RSVP Required
