I. INTRODUCTION

The School District of Whitefish Bay's Instructional Employee Employment Provisions Handbook ("handbook") has been prepared for informational purposes only. It is intended to provide teachers and other professional staff with information about wages and benefits, along with certain policies, procedures, rules and regulations.

None of the statements, policies, procedures, rules, or regulations contained herein constitutes a guarantee of any other rights or benefit, or a contract of employment, expressed or implied. All of the employees are employed "at-will," and employment is not for any definite period unless otherwise provided. Termination of employment may occur at any time, with or without notice, and with or without cause, at the option of the School District or the employee or as otherwise provided.

The provisions set forth in this handbook may be altered, modified, changed, or eliminated at any time by the School Board at its sole discretion with or without notice. This handbook supersedes any and all previous handbooks, statements, policies, procedures, rules or regulations given to instructional employees, whether verbal or written. It is the responsibility of the employee to become familiar with the provisions set forth in this handbook as well as all applicable Board policies.

EQUAL OPPORTUNITY EMPLOYMENT

In accordance with School Board Policy 511, the School District of Whitefish Bay does not discriminate on the basis of age, sex, national origin, ancestry, creed, religion, marital status, sexual orientation, disability, race, color, arrest record or conviction record, or for any other reason prohibited by state and federal law.

PROFESSIONAL RESPONSIBILITIES AND WORK DAY

Education and teaching is a professional occupation. The professional employees is expected to be with students for their supervision and instruction and to be present at those times needed to carry out their professional responsibilities. The schedule of each building will be developed by the District and published. Educational and other professional requirements may make it necessary for occasional changes in normal starting and ending times. Alternate work schedules to better serve the needs of students may be developed between the District and individual employees.

SCHOOL CALENDARS

Per Board Policy 322, the School Board shall approve the schedule of the school day and district calendar to ensure the instructional time will at least be sufficient to comply with the minimum number of hours of direct instruction established by the Wisconsin Department of Public Instruction (DPI) for each grade level. School day hours shall be posted on school websites prior to the beginning of each school year.

There are several days where instructional employees are required to work, including the following days:

- Professional learning days
- parent/teacher conferences
- faculty workshop day
- classroom workdays

The total number of days worked is 191 days. This number includes the following holidays:

- Labor Day
- Thanksgiving Day
- Memorial Day

Up to four (4) induction days for new instructional employees are in addition to the standard school calendar and are included in the initial contract of employment.

Inclement Weather. Days missed due to school being canceled for students as a result of dangerous driving conditions (snow days) will not be made up by instructional employees unless the District must schedule additional days in order to comply with state statutes regarding required minutes and hours of instruction or to receive state aids. Such makeup days will be without compensation for those employees so affected.

It is at the discretion of the District Administrator as to whether or not instructional employees will report to work when school is canceled for students as a result of wind chill warnings or school/community related emergencies. If the decision is made so that instructional employees need not report to work, the day(s) will not be made up unless the District must schedule additional days in order to comply with state statutes regarding required minutes and hours of instruction or to receive state aids. Such makeup days will be without compensation for those employees so affected. If the decision is made so that the instructional employees do need to report to work, the day(s) shall be used for professional development and/or staff collaboration as determined by the building principal. Instructional employees will have the ability to use a Personal Day, or an unpaid day, in order to be absent on such a day. It is the only instance when the preapproval rule for an unpaid day, and the Personal Day rules of preapproval and no more than five personal days granted across all instructional employees on any given day, will not be enforced.

If an instructional staff employee is off on a leave of absence prior to the school closing, the leave of absence will take precedence over the school closing designation.

III. **BENEFITS**

For all benefits, the Board may from time to time change the insurance carrier and plan design if it elects to do so.

HEALTH INSURANCE

The District will provide a group health insurance plan for eligible instructional employees.

The District will pay ninety-two percent (92%) of the premium. The employee will pay the remaining eight percent (8%) of the monthly single and family health insurance premiums through a payroll deduction.

The Board will pay ninety-two percent (92%) of the premium for full-time personnel and a pro-rated portion of the ninety-two percent (92%) premium payment for part-time personnel. The premium payments for part-time personnel will be pro-rated according to the number of hours worked by the part-time personnel. Health insurance is not available to part-time personnel employed less than one-half time. Open enrollment for health insurance as required under ACA regulations occurs every spring.

Cash in Lieu of Health Insurance. If an instructional employee has a legal spouse whose coverage includes the instructional employee, that instructional employee may elect to receive cash in lieu of health insurance under the term of the District's 125 plan. This benefit is available to full-time employees only. The amount will be the same as the district contributes toward a single premium per month, or \$726.06 per month, whichever is less.

Section 125 Plan. The Board will implement and make available to all employees a Section 125 Plan. The Plan will cover (a) employee premium contributions for health insurance; (b) deductibles, co-payments and other non-covered medical expenses eligible for coverage; and (c) child care expenses.

DENTAL INSURANCE

The Board will provide, on an optional basis, either the family or single Dental Insurance Program. The Board will pay 80% of the premium for full-time personnel and a prorated premium for part-time personnel. The premium payments for part-time personnel will be prorated according to the number of hours worked by part-time personnel. Open enrollment for dental insurance as indicated in plan document occurs every spring.

VISION INSURANCE

The Board will provide, on an optional basis, a voluntary Vision Insurance Program at either family or single coverage. The employee will be responsible for the entire cost (100%) of the premium. Open enrollment for vision insurance as indicated in plan document occurs every spring.

LIFE INSURANCE

All instructional employees will be eligible, on an optional basis, for participation in the current State Life Insurance program with the Board contributing the percent of the instructional employee's contribution as per the current State Formula.

WISCONSIN RETIREMENT SYSTEM

The Board and employee contribution to the Wisconsin Retirement System will be the required percentage as set by the Wisconsin Retirement System.

SICK LEAVE

Instructional employees may utilize sick leave because of temporary disability, personal illness or serious illness in the immediate family. When sick leave is used, the definition of immediate family includes legal spouse, children, mother, father, mother-in-law and father-in-law. During the first year of employment, full-time instructional employees will be granted two (2) days of sick leave per month up to a maximum of twelve (12) days. Following the first year of employment, instructional employees will be granted twelve (12) days of sick leave per year cumulative to ninety (90) days. At the end of three (3) consecutive school days of sick leave, certification of illness by a Health Care Provider may be required. Instructional employees who are on an approved leave of absence and not using sick leave or who terminate their employment prior to the end of the school year will have sick leave prorated according to the actual contracted days that the instructional employee works in that school year.

Once the maximum cumulative days are reached, or if, at the beginning of a contract year, an instructional employee's annual sick leave allotment would permit accumulation above the maximum, the instructional employee's annual allotment will be the greater of:

1. The number of days' difference between the current total of cumulative days and the maximum cumulative days set forth herein; or

2. Four (4) days per year.

Instructional employees with more than ninety (90) cumulative sick leave days will not accumulate sick leave days until their total number drops below ninety (90) days.

When an instructional employee is eligible for long term disability benefits according to the option selection, all sick leave payments pursuant to this contract will cease immediately.

Return to Duty. When an instructional employee's return to work occurs near an end of the semester and if the District feels it would be in the best interest of the pupils to delay the change in instructional employees, an instructional employee returning from sick leave may have his/her return to normal duties delayed until a time appropriate by the Board and the District Administrator. The Board and the District Administrator have the option to require the returning instructional employee to perform duties other than those normally assigned to the returning instructional employee or to have the returning instructional employee perform curriculum development work until such time as the Board and the District Administrator feel that an instructional employee transition is advisable.

LONG TERM DISABILITY

The Board will provide and pay the cost of long term disability insurance for all full-time and part-time employees covered by this handbook. The long term disability insurance program will provide for 90% payment of covered salary to age 65 with an offset for Social Security, Worker's Compensation and state retirement. The long term disability insurance program will provide a sixty (60) calendar day waiting period.

RETIREMENT

Retirement/Severance benefits will be available to instructional employees 57 and older who resign their regular full-time duties.

Eligibility. An applicant for retirement/severance benefits must be a regular full-time, degree-holding instructional employee who is at least 57 years of age and who has served in the school system for not less than 10 consecutive years if hired before January 1, 2002 and 15 consecutive years if hired on or after January 1, 2002. Employees whose employment with the District starts after June 30, 2006, are eligible for this benefit after reaching age fifty-seven (57) and the completion of twenty (20) consecutive years. (For the purpose of this article, an approved leave of absence will not be construed as an interruption of the consecutive year requirement). "Age," for the purpose of this program, is defined as the employee's age as of the date when the retirement/severance benefits would become effective. The instructional employee

must reach eligibility age prior to the first instructional employee contract day of the school year following the application date in order to qualify for the severance/retirement program.

Full time will be defined as a member who is employed under a full-time contract, and will include those members who have taught under a full-time contract and have been reduced to .9 FTE or greater.

Application. All applications for retirement/severance benefits must be filed with the District Administrator no later than February 1 prior to the date of retirement/severance. The District Administrator will make recommendations to the Board for approval of the application for retirement/severance benefits. The determination of the Board will be final.

Limitations. No more than eight of the District's regular full-time, degree-holding instructional employees will be considered for retirement/severance benefits in a given year unless a greater number is recommended by the District Administrator and approved by the Board. It (retirement/severance) will not apply to any instructional employee who is discharged, terminated or non-renewed.

Compensation. Upon retirement/severance, instructional employees 57 and older are eligible to receive a retirement/severance payment of one-hundred ten (110) day's pay at the employee's 2011-12 salary. The payment is based on full-time service as of July 1, 2012. For eligible instructional employees with less than twenty (20) years of service on July 1, 2012, the payment will be pro-rated based on twenty (20) years. Accordingly, each year of service prior to July 1, 2012 is equivalent to 5.5 day's pay for purposes of the retirement/severance payment. In applying the provisions of this article, a day's pay will be 1/191st of the instructional employee's base salary, excluding all fringe benefits. Years of approved leaves for absences will not be counted for compensation purposes.

Employees hired after July 1, 2011 are not eligible for this benefit.

Payment Schedule.

The School District will make a payment to the 401(a)/403(b) plan provider on behalf of the eligible retiring employee. The account created in this qualified plan will be in the name of the retiring employee. Access to the 401(a)/403(b) plan is subject to Internal Revenue Service (IRS) regulations and stipulations. If, after retirement/severance an instructional employee dies before full payment has been made, the balance due and owing will be paid to a named beneficiary, or, lacking same, to the estate of the deceased. Any payment amount above the current IRS code limit shall be paid by check. Deductions, such as state and federal income tax, social security tax, or other taxes will be made only as required by law.

Insurance. Any instructional employee who is at least 57 years of age and who has served in the school system for not less than 10 consecutive years if hired before January 1, 2002 and 15 consecutive years if hired on or after January 1, 2002 may remain a member of the group health insurance program the lesser of: 1) a total of eight (8) years or 2) until the employee becomes eligible for Medicare; with the Board paying the same percentage of the premium in effect at the time of retirement/severance, provided that the dollar amount of the premium to be paid by the employer on the employee's behalf shall not exceed the dollar amount paid by the employer on the employee's behalf during the 2011-12 school year. Employees whose employment with the District starts after June 30, 2006, are eligible for this benefit after reaching age fifty-seven (57) and the completion of twenty (20) consecutive years of service with the Board paying the same percentage of the premium in effect at the time of retirement/severance, provided that the dollar amount of the premium to be paid by the employer on the employee's behalf shall not exceed the dollar amount paid by the employer on the employee's behalf during the 2011-12 school year.

Employees hired after July 1, 2011 are not eligible for this benefit (post-employment health insurance). For employees hired after July 1, 2011, the District will contribute a sum towards a tax-sheltered annuity on behalf of the employee that the employee may access upon retirement (eligibility: age 57 with 20 years of service).

Unused Sick Leave. Upon retirement, an instructional employee will be paid one-twelfth of a day's pay for each day of unused sick leave. The number of unused sick leave days will be capped at 90 days.

PERSONAL DAYS & RELIGIOUS OBSERVANCE

Upon approval of the District Administrator, or his/her designee, an instructional employee will be allowed to be absent for personal reasons two (2) full days per year without loss of pay. Personal days may be taken in half (1/2) day increments.

Such days will be granted on a first come, first serve basis with a cap of five instructional employees using any one day. From May 1 to the end of the school year, a cap of three instructional employees may be off using any one day. Personal days are not to be used before or after a holiday, recess or break or sick leave day except in extreme emergencies. When District professional learning, open houses, parent conferences or orientations are scheduled, the employee is expected to attend. The request for a personal day must be received one week prior to the anticipated date. Personal days may be taken consecutively; however may not be carried over to the next school year.

When personal days are used, the days will be deducted from the instructional employee's sick leave balance.

To attend the funeral of non-immediate family members and/or friends, an employee should use available Personal Days and/or request unpaid time off.

Upon approval of the District Administrator, or his/her designee, any instructional employee desiring time off for personal religious observances may utilize a maximum of two (2) personal days and two (2) sick days per school year for such purpose. Days used for personal religious observances will be deducted from the instructional employee's personal day account followed, if necessary, from their sick leave account.

IV. PROFESSIONAL LEARNING

Annually, full and partial District professional learning days, will be planned by Administration and the Teaching & Learning Committee.

Every instructional employee regardless of full-time or part-time status is required to attend the same professional learning scheduled in its entirety. In addition to the District professional learning days, programs may be offered after the normal student day or when released from instructional duties during the normal work day.

The District, in conjunction with the Teaching & Learning Committee, may determine general direction for the overall staff development program. Final approval will be with the District Administrator.

FIRST YEAR INDUCTION PROGRAM

New instructional employees will participate in up to four (4) pre-school induction days along with several after school professional development sessions, each lasting one and one-half hours. The up to four (4) pre-school induction days will be used for District orientation, building orientation, working with mentors, and classroom preparation.

PROFESSIONAL LEARNING PROGRAM

The overall objective for all instructional employees is to show growth in professional competencies. Instructional employees participating in District sponsored or approved seminars after school will receive base hourly rate up to six (6) hours. No remuneration will be given for School Board adopted and required programs when offered during the normal work day.

Every instructional employee, regardless of full or part-time status, is required to attend the scheduled professional learning day in its entirety.

V. SEPARATION OF EMPLOYMENT

NONRENEWAL OF CONTRACT FOR ECONOMIC REASONS

Historically, when there was a need to reduce teacher staffing, the District was able to issue a layoff notice to individual teachers. In the absence of a layoff provision in a collective bargaining agreement, to reduce the number of teachers, the District must nonrenew the teacher's contract. Per Wisconsin state statute §118.22 and Board policy, the District must give preliminary notice of nonrenewal to the teacher by the end of April. Final notice of nonrenewal must be given by May 15th.

In the event that a reduction in force is necessary (due to a decrease in demand for a teacher's services, an enrollment decrease, program change, etc.), the following factors will be considered when selecting which teacher(s) will have their contracts nonrenewed and/or offered a part-time contract:

- The need for the services that the teacher performs
- The certification of teacher
- The experience of teacher
- The teacher's contributions to the school community
- The potential disruption to the building and/or other buildings' staffing
- The teacher's evaluations and performance relative to other teachers
- The likelihood of success of new staffing plans

LIQUIDATED DAMAGES

Should an instructional employee breach his/her executed individual contract or any provision thereof, a liquidated damage in the respective amount set forth below will be either paid or forfeited by the instructional employee at the option of the District. The acceptance of the instructional employee's resignation by the Board does not relieve the individual from the liquidated damages set forth herein.

If the instructional employee executes an individual contract and thereafter, after June 15 and prior to July 1, breaches the agreement, the instructional employee will incur liquidated damages in the sum of \$500. If an instructional employee executes an individual contract and thereafter after July 1 and prior to August 1, breaches the agreement, the instructional employee will incur liquidated damages in the sum of \$1,000. If an instructional employee executes an individual contract and thereafter, after August 1 and during the school year, breaches the agreement, the instructional employee will incur liquidated damages in the sum of \$2,500. The appropriate amount of liquidated damages, pursuant to the above, will be deducted from the instructional employee's last paycheck or paid directly by the instructional employee. The Board will not accept the resignation of the instructional employee until such time as liquidated damages have been collected from the instructional employee in question.

VI. EMPLOYEE NOTIFICATION TO HUMAN RESOURCES

CHANGE IN EMPLOYEE INFORMATION

It is the employee's responsibility to update information or notify the Human Resources Department and/or Business Office of changes that should be made to records to keep them accurate and up-to-date. Examples of changes that must be reported would be: name, address, telephone number, or emergency contact.

The Business Office should be notified if you have a change in marital status, number of exemptions for tax withholding, bank information for direct deposit or changes to insurance coverage including dependent information.

EMPLOYEE NOTIFICATION RESPONSIBILITY

Any report of a Federal, State or municipal law, rule or regulation violation may only be used in making employment decisions if the violation is related to job or assigned activity. Employees shall notify the District's Human Resources Manager immediately upon an arrest, pending charges, or conviction situation change.

VII. BOARD POLICIES

The School Board for the School District of Whitefish Bay is guided by a series of policies that cover a number of areas, including personnel. The following policies have been identified as being of significant importance to instructional employees. Please note that all Board policies are applicable to instructional employees regardless of their inclusion into this handbook. The following are excerpts of the policies. Full policies may be view on the District's website.

Conflicts of Interest

Per Board Policy 525.1, The Whitefish Bay School District will not hire, transfer or promote an applicant or employee into a situation where the possibility of favoritism or conflicts of interest might exist. In order to promote sound management policies and procedures and to avoid actual or potential conflicts of interest, no close relative of an employee of the District shall be appointed to any position where, as a result, he/she would be directly supervising or receiving direct supervision from a close relative.

Discrimination Complaint

Any complaints regarding alleged discrimination in employment policies and practices, shall use the following procedures:

1. The complaint shall be presented in writing to the Human Resources Manager with specific details and corresponding dates being a part of that presentation. The Human Resources Manager shall determine to which administrator the

matter should be referred. The administrator so designated shall answer the complaint as soon as practicable.

2. Following the response outlined in step 1, the complainant may request a conference with the Human Resources Manager designee as indicated above. The results of such a conference shall be put in writing and forwarded to the complainant by the designee no later than five (5) working days following the conference.
3. If the complainant is still not satisfied after completion of steps 1 and 2, the matter may be referred back to the Human Resources Manager who will meet with the complainant at a mutually agreeable time to thoroughly review the topic. A written summation of that meeting and possible solution will be furnished to the complainant no later than five (5) working days following the conference.
4. Should the complainant still not be satisfied, the matter may be referred to the complainant to the District Administrator and/or the School Board for review by the proper School Board committee. Its response will be forwarded to the complainant as soon as practicable after receipt of the referral.
5. Complainants are reminded that the Department of Industry, Labor and Human Relations, the Wisconsin Employment Relations Commission, the Regional Director of the Office of Civil Rights, and the courts are all open to them for appeal procedures. The School District of Whitefish Bay, however, strongly encourages usage of provisions 1 and 2 of this complaint procedure as the quickest and most meaningful procedure to be used.

Drug-free Workplace

Per Board Policy 522.1, the use, possession and distribution of alcoholic beverages or the unlawful possession, use, manufacture, distribution, or dispensation of any controlled substance (including prescription drugs) is prohibited in the schools during school work activities or on the school grounds of the public schools in Whitefish Bay.

Employee Grievance Procedure

Per Board Policy 527, this policy creates a complaint grievance procedure for District employees to provide a means of addressing individual employee grievances with regards to employee discipline, including termination, and workplace safety. This procedure will not be used to address group grievances, nor to negotiate with groups of employees.

For purposes of the Employee Grievance Procedure, employee discipline means any consequence involving a suspension and does not include verbal or written reprimands.

An employee shall first seek to resolve a grievance by promptly discussing it with his/her immediate supervisor, and any other higher level supervisors involved in the decision which is the source of the grievance. Only if this informal resolution proves unsuccessful should this grievance procedure be used. The employee and his/her supervisors are encouraged to continue trying to resolve the grievance outside of this formal grievance process.

- Step 1. An employee may initiate this procedure by completing the Employee Grievance Form and delivering it to his/her immediate supervisor within five (5) working days of the unsuccessful informal resolution of the grievance.
- Step 2. A written response to the grievance shall be delivered to the employee within ten (10) working days of receipt of the Employee Grievance Form, signed by the employee's immediate supervisor.
- Step 3. If the employee does not receive, or is not satisfied with, the written response in Step 2, the employee may within five (5) working days after receipt of the response, or within fifteen (15) working days of submitting the Employee Grievance Form, submit to the Human Resources Manager a written request for a hearing before an impartial hearing officer. The appointment of the impartial hearing officer shall be made by the Human Resources Manager and/or the District Administrator on a case-by-case basis.
- Step 4. Within twenty (20) working days of receipt of the written request for the hearing, a hearing shall be scheduled based on the availability of the parties. Within twenty (20) working days of the hearing, the impartial hearing officer shall issue a written response to the employee and supervisor on the disposition of the grievance. The standard of review of the Impartial Hearing Officer shall be to determine if the decision of the Administration was arbitrary or capricious.
- Step 5. If the non-prevailing party does not receive, or is not satisfied with, the written response in Step 4, they may within five (5) working days after receipt of the response, or twenty-five (25) working days after the hearing before the Impartial Hearing Officer, submit a written request that the grievance be considered by the School Board. Within ten (10) working days of receiving the written request described in Step 4, the District Administrator shall, in consultation with the School Board President, place the matter on the School Board's agenda, to be first considered within sixty (60) calendar days of receipt of that written request, and shall inform the employee as to when it will appear on the School Board's agenda.

Step 6. The School Board may conduct its review using whatever procedures and format it deems appropriate. The disposition of the matter by the School Board shall be final and not subject to further review. The District Administrator shall advise the employee and such others as the District Administrator deems appropriate in writing concerning the results of the School Board's review.

Timelines in this policy may be extended, in writing, by mutual consent of the parties.

Employee Technology Use

Per Board Policy 524, employees may have access to the District's technology system, which includes computers, computer networks, electronic mail systems, voice mail systems, telephone systems, facsimile machines, surveillance systems and the Internet. The purpose of these systems is to enhance job performance on day-to-day assignments and to facilitate effective business communications.

All aspects of the technology system are the District's property. Use of the District's technology system is not guaranteed to be private. The District has access to the entire technology system and maintains the right to access or monitor, consistent with the current law, all documents, messages or information created on, with or transmitted over the system, including e-mail and Internet usage, without notice to the users.

Employee Use of Social Networking

Per Board Policy 524.1, the District realizes the value and omnipresence of social networking sites and other internet-based social forums. Sites that emphasize online educational collaboration and sharing among users should be used to educate our students. Technology is ever-changing and this policy is intended to be flexible to include new and changing technologies.

The District respects the rights of employees to use social networking sites as a medium of self-expression during non-work time. Employees are permitted to use the social networking sites for incidental personal use and/or communications during work time provided that such use shall not interfere with or conflict with District business and such use does not occur during student contact time. Employees shall exercise good judgment regarding the reasonableness of personal use.

Funeral/Bereavement Leave

In accordance with School Board Policy 532.34, an employee shall be permitted a leave, not to exceed three (3) paid days, for attending a funeral when a death occurs to a member of the immediate family. For funeral/bereavement leave purposes immediate family will

include legal spouse, children, mother, father, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents and grandchildren.

An additional two (2) paid days may be granted for travel to a funeral outside the Milwaukee metropolitan area, which shall be charged to regular sick leave.

Additional use of regular sick leave for deaths in the immediate family may be granted at the discretion of the District Administrator or his/her designee.

To attend the funeral of non-immediate family members and/or friends, an employee should use available Personal Days and/or request unpaid time off.

Harassment

Per Board Policy 411.2, the School District of Whitefish Bay is committed to an education environment that is free of harassment of any form. It is therefore the policy of the District to:

1. Prohibit and discourage any individual (employee, applicant for employment, parent, student or other individual doing business or having a relationship with the District) from harassing any other individual associated with the District;
2. Provide a harassment-free educational environment;
3. Address any instances of harassment in a timely manner;
4. Provide on-going educational awareness of the problem of harassment in all forms; and
5. Provide procedures for filing and pursuing claims of harassment.

The District will not tolerate any form of prohibited harassment and will take all necessary and appropriate action to eliminate it, including discipline or discharge of employees.

The incident should also be reported within 24 hours. Incident reports are used to document emergency or other abnormal situations on campus. These reports assist with the investigation of potential safety and/or health hazards and ensure that steps are taken to prevent any recurrence in the future.
