

## **July 22, 2010 – Storm Information**

Whitefish Bay High School, Cumberland and Richards Elementary Schools were significantly impacted by the rain storms which caused severe flooding throughout the Village on July 22, 2010. School remediation and restoration efforts are presently underway and all schools will be ready for a successful start of the 2010-11 school year. Thank you for your patience as we work together through this emergency situation.
