December 13, 2013

Dear Parents and Guardians,

Our census list indicates that you will have a child turning four on or before September 1, 2014, making her/him eligible to attend our Junior Kindergarten program next fall. We are already planning for his/her arrival!

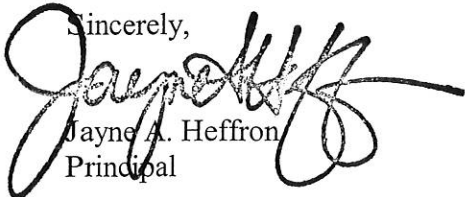

Our Junior Kindergarten program provides opportunities for your child to develop essential skills for later school success. And, it allows you to meet and create connections with families of other students, families you may have contact with throughout your child's entire Whitefish Bay school career.

Registration paperwork is included in this packet. We project staffing based on enrollment so we appreciate you returning your completed forms as soon as possible. To complete the registration process we also need to see an original certified copy of your child's birth certificate. If this is your first child to enter the Whitefish Bay school system, we need proof of your residency. The documentation for this is a copy of your current lease (with your child's name listed on the lease) or a copy of your closing statement or property tax bill in order to verify your address. We can copy any of these in the office when you bring them for registration. If you choose to register by mail, please send the forms along with original certified copy of your child's birth certificate and proof of residency to our office. Birth certificates will be available in the office for pick up after verification of the information.

Our health aides are available at 962.8050 to answer any questions you have regarding your child's health records. Enclosed in this packet are the Kindergarten Health Examination Report and Student Immunization Record forms. Please return your completed forms to school prior to the start of the school year.

Cumberland is an exemplary school with a terrific Junior Kindergarten program. I encourage you to send your child here in the fall of 2014. If I can answer any questions please call my office at 963.3943 or e-mail me at [jayne.heffron@wfbschools.com](mailto:jayne.heffron@wfbschools.com). I look forward to working with you and your family. If your child will be attending Cumberland, you will receive a letter early in the summer notifying you of your child's assignment to a morning or afternoon Junior Kindergarten class. If your child will not be attending our kindergarten program next year, please let us know so we can remove your child from our list.

Sincerely,

Jayne A. Heffron  
Principal
