Oct. 12 Late Start  
Oct. 13 Open House/Grand  
Opening 6-7:15 PM  
Oct. 14 Harvest Fest

*'It is today we must create the world  
of the future.'*

*~ Eleanor Roosevelt*

**Science ~** We continue our investigation of Lifeboats, which is where students investigate the capacity of different size boats. We will have a midunit assessment next week. Study guides will be handed out on Friday.

**Social Studies ~**We are now focusing on various American Indian nations, the regions, and the resources available in those regions.

**Math ~** We are continuing our studies of estimation and addition/subtraction of decimals in Unit 2. Testing will be next week. We have introduced and are practicing traditional multiplication algorithms.

**RLA -** We are wrapping up our novels that support our unit theme of relating to others. Next week we will begin preparing for writing our Narrative Non-fiction essay.
