Re: Roller Skating Permission Slips

Beginning on March 6th, our Physical Education classes will be participating in an in-house skating program. The skates will be delivered directly to school. Along with the skates, Skatetime School Programs will also provide wrist guards. All students must wear helmets while skating. A few helmets will be provided, but we do not have enough for everyone.

This skating unit is being implemented because of its emphasis as a "Lifetime Activity". Skating provides a variety of benefits, which include balance, coordination, motor skills, and a top rated cardio-vascular workout. Students will also learn basic skating skills such as starting, stopping, forward skating, backward skating, cornering, and a number of safety tips for being a smart skater.

The fee for this unit is being paid by our Richards PTO. Please thank them for providing the monies toward delivery and pickup of the equipment as well as use of the skates and wrist guards.

**Please have your student return the bottom portion of this permission slip no later than Wednesday, March 1st.**
