

Dear Richards Families,

**Spring Sing** is fast approaching! You are invited to join us on **Thursday, May 24th, at 10:15 am or 1:30 pm** to enjoy our student performances. ALL students at Richards School perform during this annual event! This year's theme, "Everything is Moosic" was inspired by the 2017-18 Legacy Book Award winner, The Animal Book. Please talk to your children about what they are working on and encourage them to perform for you. **This year families are invited to attend either performance.** Doors will open one hour before each performance.

Performance Day Attire for Students:

It is typically warm on Spring Sing day, so dressing appropriately for the weather is strongly encouraged. Students can dress up, but no specific color is required. Each grade level has a different animal theme so they are most welcome to wear clothing that represents their creatures. No costumes or masks, please. Please see the Richards School handbook for additional dress code information.

Lunch on the Lawn:

The annual Richards **Lunch on the Lawn** with your children will be taking place between Spring Sing performances, weather permitting. Students are welcome to join their families on the front lawn of the school to eat during the lunch times listed below. If possible, we suggest deciding on a specific meeting place (ex: on our blue blanket near the red playground) ahead of time. Students will be on the back field and playground for recess (with the exception of the classes that use the red or blue playground). Please note the time your child will be eating and when they will be at recess. If your child will be with you for the entire 60 minute block, please let the office know. If rain is forecasted, we will share information about alternate lunch plans as soon as possible.

Sincerely,
