

**Whitefish Bay High School English Department Book Lists**

**2016-2017**

Students are responsible for purchasing the books they will be reading in their English classes this year. These books are organized by course and teacher below. Be sure to select the correct translation/edition/version of each book by using the ISBN numbers indicated. These numbers are found on the back of the book cover or on the back of the title page. You may type the ISBN number, instead of the title, when searching for books online at sites like Boswell Book Company, Barnes and Noble\_or [amazon.com](http://amazon.com). Students are welcome to use siblings’ books or to buy used books when available.

Please order only the books needed for the current semester to eliminate any confusion that may result if there is a future schedule change. Also, please bring books on the first day of class.
