

Acting Adventures With Dontae Hill

Grades 3 thru 5

(mistakenly listed in Winter/Spring 2018 program guide as Grades K5 thru 2)

Get ready for the most amazing time as we explore acting in a way that brings out a hidden sense of creativity that your child will not be able to keep hidden. In addition to a creative outlet, your child will experience the benefits of performing in front of peers, loved ones and people they have never met! We will explore improv, public speaking, scene study and much more. Students should prepare for a fun, fast-paced, fantastic time as we work together to help your child learn everything they need to know about performing for the stage.
