Our Preschool

The Whitefish Bay School District has a long tradition of academic excellence. The district's high quality professional staff challenges our students to reach their potential. The community places a high value on education. As a result, the Whitefish Bay Recreation and Community Education program strives to provide the highest quality of programming through the balance of recreation, socialization and academics.

Lydell Community Preschool's curriculum will be based on the educational recommendations of the Whitefish Bay School District. Families will be invited to take an active role in their child's learning by collaborating with the teacher in the learning process. Teachers, parents and families will work together to create a dynamic learning environment.

Program Goals

The Lydell Community Preschool goals will align with the Whitefish Bay School District focus plan. The program will ensure that every student:

1. Develop effective strategies for continuous learning: Maintain an appropriate balance of content and skills across the curriculum
2. Presented multiple options and opportunities for success: Create multiple definitions of and opportunities for success that promote the development of the full learning potential
3. Experience a supportive learning environment: Create and maintain an environment that is free of undue pressure or unhealthy stress that supports the best learning efforts
4. Is prepared for the future: Provide experiences, information and connections that will prepare students for junior or senior kindergarten. Curriculum and activities will be adopted from the current junior and senior kindergarten programs.

Curriculum will address

1. Language Art, Mathematics, Dramatic Play, Music, Free Art Area, Group Art, Quiet Reading Area.
2. Integrated into the curriculum-cooking, science and Art experimentation, Physical Activities, Parent Involvement.

Each child will be exposed to:

- Daily reading activities
- Music
- Letter and number recognition
- Color and shape recognition
- Basic hygiene needs and safety
