

BAY GIVES BACK - WFBHS

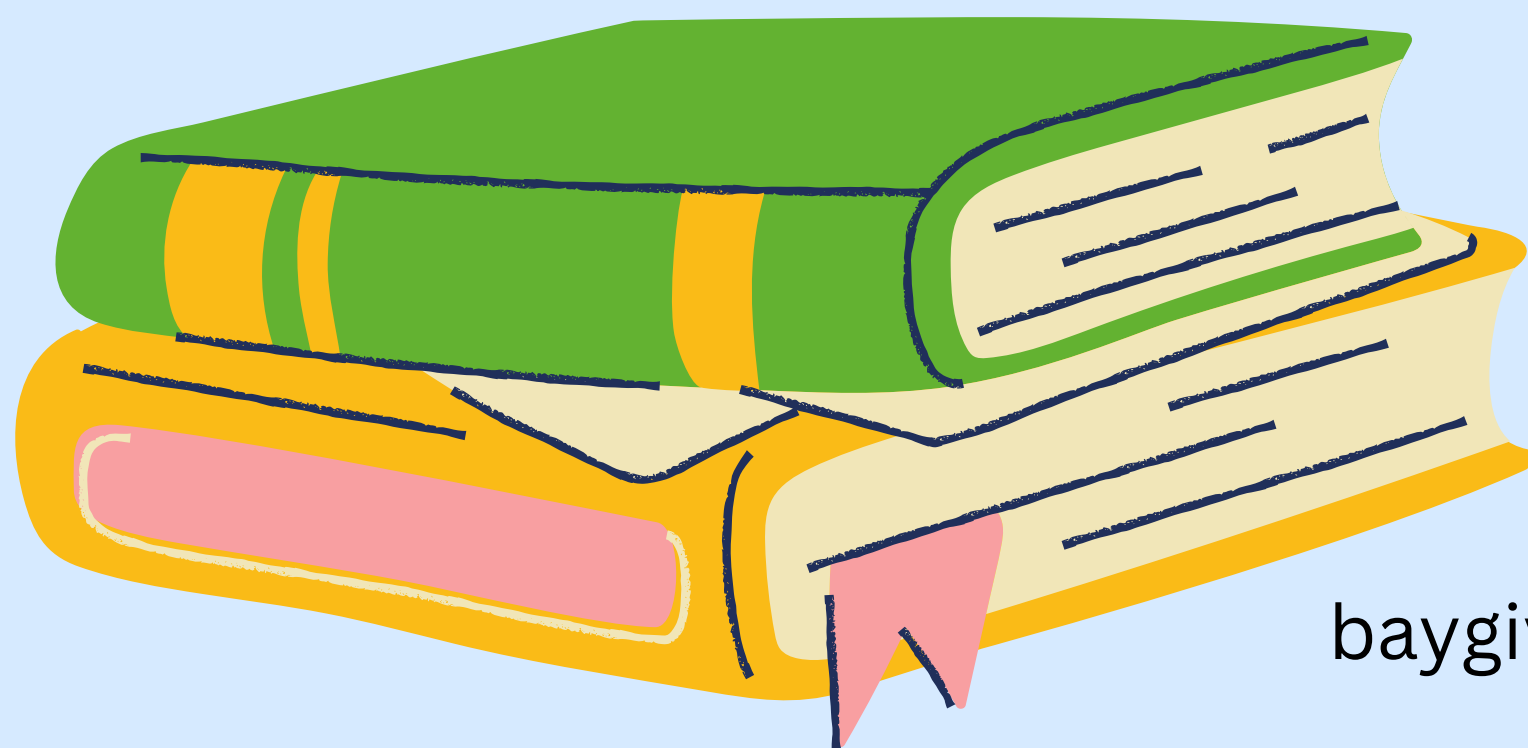

Little Laundromat Libraries

Our goal is to create little libraries in two laundromats in Milwaukee that provide reading materials for children and young adults. They are free libraries where books can be used on site or taken home. We hope to restock and maintain these libraries for years to come!

Need: Used or new books for children and young adults

Collection Dates: February 13th - 24th

Dropoff Options: If your child is a high school student, books can be brought to their first hour class. If you are a community member, books can be dropped off in the main entrance vestibule of the high school in the labeled box.
