

Attention School District of Whitefish Bay Parents and Community

The School District of Whitefish Bay is requesting your participation in a brief (3 to 5 minute) community-wide survey. The District is committed to timely and meaningful communication in a manner that makes sense for you. Your participation in the survey will help the District improve communication practices.

All responses are anonymous. We have no way of tracking individual respondents, and we will be analyzing the results only in the aggregate. Please click on the link below to begin the survey, or copy and paste the link into your web browser. Your opinions are important to us; thank you for your help.
