Our two co-ed youth leagues cover boys and girls from 1st through 4th grade. Beginners at all age levels have learned the sport quickly, gained personal confidence, and made meaningful contributions to their teams! Experienced multisport athletes playing spring soccer, lacrosse, fast-pitch softball, and even Little League have participated in two sports because of our league's low time commitment of only 1-3 hours per week, its affordability, and team roster sizes that allow for occasional conflicts.

Players are assigned to teams randomly, but we honor and encourage requests to be paired with other friends to help with carpooling and to make it a comfortable and enjoyable experience for the kids. Teams are run by volunteer parents with a passion for teaching the game to young people. There are no rules with regard to how many boys or girls are on each team's roster or in the field of play at any given time, but efforts are made to maintain competitive integrity. Managers ensure that all players receive an ample amount of playing time regardless of ability. Games are umpired by adult recreation staff, and the season will conclude by July 31st. We will be offering two leagues, Parent Pitch (1st- 2nd grade), as well as a Junior league (3rd- 4th grade). The Parent Pitch league will use a squishy softball and have parents/coaches pitch, while the Junior League will use a 10" softball and have players pitch. In the Junior League, scores and league standings are kept. Games will be played on Monday and Wednesday evenings. Depending on registration numbers, the two leagues may be combined into a single 1st - 4th-grade league. In this event, rules may be adapted to fit all ages accordingly. Please email the Program Director at caleb.franklin@nicolet.us if you have any questions. Teams will be formed by May 1st, practices will begin in early May, and games will begin early June.

DEPARTMENT PROCEDURES:

MISSION STATEMENT

The Whitefish Bay School District, through the Whitefish Bay Recreation Department, is committed to improving the quality of life. This is achieved by providing a wide variety of quality recreational, educational, cultural and social programs and services for all residents and students of Whitefish Bay.

REGISTRATION PROCESS

A digital version of the seasonal guide is available online for viewing before the start of Resident Lottery Registration for Whitefish Bay Residents. The digital version is posted on the Recreation Department website and Facebook page. Program guides are mailed to **Whitefish Bay Residents only** and are typically received at least one week after Lottery Registration has begun. Once Lottery Registration starts, residents are encouraged to register online, by mail, or in person. Resident registrations received during the Lottery Registration are entered into a registration lottery. The Registration Lottery takes place before non-residents can begin to register for programs. If space is still available in a program after Lottery Registration has concluded, additional program registrations are processed on a first-come, first-served basis.

LOTTERY INFORMATION

During the Resident Lottery Registration period, all residents of Whitefish Bay have equal access to programs. Residents are encouraged to register during this period for all classes of interest. The registration receipt, received by email, during Lottery Registration confirms that you have been registered for the lottery. **On the Lottery Selection Date, programs that have exceeded their maximum capacity go to lottery.** Lottery selection results will be sent in ONE email per household. The email will confirm programs that you have been selected for as well as any for which you are waitlisted.

REGISTRATION DEADLINES

Registration deadlines are typically one week prior to the start of the class. Some programs have program-specific deadlines and registration policies. Check individual program information for program-specific deadlines and registration policies.

SAME DAY/LATE REGISTRATION

The Recreation Department will add an additional fee of \$10.00 per program for every registration received on or after the start date of a program (or after the specified Registration Deadline). Participants who register the same day/late will be asked to show their receipt the first day of class. We do not prorate fees.

PROGRAM WAITLISTS

Program Waitlists are automated. Participants are able to add themselves or a family member to a program waitlist if one exists through their online registration portal and will receive an automated email offer if and when a spot becomes available. Participants will have 24 hours to accept or deny the spot via their online recreation account by going to their **My Waitlist** page. If accepted, the participant will be brought to a registration screen to register and pay for the class. If you deny or do not respond to the offer within 24 hours the system will

extend the Waitlist Offer to the next person on the list. Front office staff has access to add participants to a waitlist upon request; however, all notifications of a waitlist offer are done via automated email.

PROGRAM WITHDRAWAL CANCELLATION PROCEDURE

All withdrawals must be done at least one week prior to the start of the program. Withdrawals will result in a household credit in the amount of the program. Refunds are only issued under the circumstances listed below. Some programs may have varying policies based on differing registration deadlines. Withdrawal requests when less than one week prior to the start of the program may not be honored. Classes may be cancelled due to low enrollment or other factors. Household credits will be issued for cancellations done by the WFB Recreation Department.
