Ms. Logan

[linnea.logan@wfbsschools.com](mailto:linnea.logan@wfbsschools.com)

The Esports club aims to compete in the Wisconsin High School E-sports Association in the various games they offer. During the school year the ESports Club will look to improve a players teamwork and problem solving abilities in game. During team meetings, players will learn skills to review gameplay and develop understanding of their gameplay strengths and establish a path towards improving their gameplay

---

#### Forensics Team

Mr. Heimerl

[zak.heimerl@wfbsschools.com](mailto:zak.heimerl@wfbsschools.com)

Our team is composed of debaters, speakers, actors, and interpreters who all have a common goal: Finding their voice. We accept people of all skill levels--including those terrified of speaking in front of others and English language learners. We compete in a variety of local tournaments. We're sure you'll find your place with our team all while building friendships and skills that will last a lifetime.

---

### CLUBS THAT COMPETE

---

#### HOSA

Ms. Weiss

[judy.weiss@wfbsschools.com](mailto:judy.weiss@wfbsschools.com)

HOSA is a student-led national organization for those who are interested in the medical field. HOSA provides medical knowledge, skills and leadership through competitions, leadership labs, volunteering, and cooperation with local medical professionals. There is a membership fee but it is definitely worth it for it provides a deep insight for those interested in pursuing a medical career. There are opportunities for competing at the state (and national for qualifiers) level if interested (additional costs for competitions).

---

#### Math Team

Ms. Woodnorth

[donna.woodnorth@wfbsschools.com](mailto:donna.woodnorth@wfbsschools.com)

The Math Team offers an opportunity to extend math interests in a competitive setting through a number of formal contests. The team is open to all students. Students will be notified of each contest through their math teacher and many of these contests will have tryouts to determine the team members. The participants for each contest will be determined separately and a student may participate in as many or as few contests as they wish.

---

#### Mock Trial

Ms. Kim

[catherine.kim@wfbsschools.com](mailto:catherine.kim@wfbsschools.com)

Each year, from September to February, hundreds of Wisconsin teenagers, working with a teacher and outside attorney coaches, research, study and prepare a hypothetical courtroom trial involving issues of interest and importance to young people. Whitefish Bay will form its third mock trial team from students who have an interest in improving their speaking skills, enjoy direct student competition, and improving on many real-world life skills that are needed in many professional careers. This is not about creating attorneys, it is about creating better people. This will be a unique and great experience but it will require a commitment. Join the team. Enjoy the fun. Strengthen your college resume.

---

#### Model UN

Ms. Routhier

[pam.routhier@wfbsschools.com](mailto:pam.routhier@wfbsschools.com)

The Model UN is a unique opportunity for students to gain experience in a United Nations simulation. All are welcomed to take part in this event, which includes a two-day trip to UW-Milwaukee.

## ACTIVITIES GUIDE

Extracurricular activities are an integral part of the Whitefish Bay High School experience. They can add an educational dimension that is not available in the classroom. Students can find great enjoyment and satisfaction in participating with friends in activities that they enjoy.

1. Listening to the morning announcements for information on how to join clubs, teams, and organizations.
2. Talking to their counselor about their interests. The counselor will be able to provide information about which activities best fit the student's interests.
3. Discussing the activities listed with other students, siblings, parents, friends and teachers.
4. Contacting the Activities Director, Mr. Worzella.
5. Attending the Activities Fair held in early September. This year the Activities fair will be held during lunch on Friday September 6th in the field house lobby.
6. New clubs and activities may be initiated as a result of student interest and obtaining a faculty advisor. Students interested in forming a new club should contact the Activities Director.

### **Whitefish Bay High School Clubs**

**The School District of Whitefish Bay allows the clubs to meet and organize at Whitefish Bay School only.**

**When the activity occurs outside of Whitefish Bay High School, the activity is not part of the school sponsorship and are done on the individuals own liability.**
