

Dear Friend of the Arts,

We would like to invite you to our upcoming Richards Elementary's annual art show. Our theme for the show this year is "Soaring in the Arts." This exhibition will showcase the artwork made by all of our Richards students K4 through 5th grade. The media presented will range from two dimensional painting and drawings to three dimensional clay and paper mache. In addition, there will be a surprise photo opportunity created by the 2nd-5th grade students.

Students have been working very hard this year in art class. Please join us to celebrate the arts as well as the talents and creativity of our Richards Elementary students!

Sincerely,

Sally Danforth and Andrea Beck
