The School for Good and Evil is where good kids learn to be fairy tale heroes and bad kids learn to be villains and monsters. In the first book, Sophie — a beautiful girl who always felt she was destined to be a princess — gets dropped off at the School for Evil, while Agatha — her witchy best friend who lives in a graveyard — ends up at the School for Good. In this fifth installment, the past will come back to haunt the present unless Sophie and Agatha can stop their stories from magically being rewritten!
