District Safety Update #2 and Tabletop Discussions Invitation
Enhancing a Culture of Safety in the School District of Whitefish Bay

Date: November 14, 2018
Time: 5:30 PM to 6:30 PM
Location: Richards Elementary School - The Great Hall <u>5812 N. Santa Monica Blvd</u>.

Safety is a collective responsibility among all school community stakeholders. Providing a safe and secure learning environment for all students and staff is our top priority.

We would like to take an opportunity to respond to our community's questions from the community safety meeting last March, provide an update in the areas of school safety preparation and response and safety enhancements made since our last update.

We invite you to join us! It is our desire through engagement with multiple stakeholders that we will strengthen our shared understanding of current safety practices and expectations to continue to enhance student, staff, and community safety.

Should you have questions, please contact Dr. John W. Thomsen - 414-963-3901.
