

WHITEFISH BAY
**COMMUNITY
GARDEN**

*Growing a healthy community...
one seed at a time.*

Taking Root...

The Whitefish Bay Community Garden, originally established by a group of motivated high school students, is now under the management of the Whitefish Bay Recreation and Community Education Department. We are thrilled and proud to continue the tradition of providing organically grown fresh produce and flowers.

The Community Garden not only grows fresh produce, but also provides a sense of community for the residents and volunteers of Whitefish Bay.

Reaping the Harvest...

The success of the garden relies on our donors and volunteers. We need a dedicated group of individuals willing to donate time, energy, money, and materials to keep the Community Garden going! **YOU** are the heart of our Whitefish Bay Community.

Volunteers are needed to maintain the garden, harvest the produce, and assist in seasonal clean-ups. Additionally, volunteers will have the opportunity to take home fresh produce, herbs, and flowers!

Volunteers will receive email notifications of work and harvest days and will be able to sign up for days and timeslots online.

2026 Business Sponsors:

sarah.shorewest.com

Local Business Sponsorships are essential for the garden's success by helping support the cost of plants, tools, maintenance, and garden coordination.

Our yearly sponsorship campaign begins in January.

What's in it for you?

By becoming a business sponsor of the Whitefish Bay Community Garden, your company will:

1. **Aide** in the creation of a better community through a mutually beneficial partnership.
2. **Help** secure water, equipment, staff support and general garden expenses.
3. **Grow** through the generous publicity we will provide.

Please visit the WFB District website for more info on our business sponsorship packages!

Getting Involved

Become a Volunteer!

We are always looking for dedicated individuals willing to donate time, energy, money, and materials! Volunteers maintain the garden, harvest the produce, and assist in seasonal clean-ups. Additionally, volunteers will have the opportunity to take home fresh produce, herbs, and flowers!

Make a Donation!

The success of the garden not only relies on our volunteers and business sponsors, but also on donations! Through our community's generosity, we can keep the Garden growing!

Monetary Donor Options:

Perennial Donor \$35 - \$99

Cultivating Donor \$100 - \$499

Heirloom Donor \$500+
