

ATTENTION 2ND-5TH GRADE PARENTS!!

High Interest Day is
Wednesday, April 24th
from 12:50-2:40pm

Grades 2-5 will have the opportunity to participate in **THREE** High Interest Day sessions:

- Session 1: 12:50-1:20pm
- Session 2: 1:30-2:00pm
- Session 3: 2:10-2:40pm

What about Grades K4-1?! Don't worry, they're participating too! The presenters for the lower grades were pre-selected based on subject matter and grade level appropriateness. For a list of the K4-1st grade presentations, visit richardspto.org

What is High Interest Day?

High Interest Day brings together parents, friends, family, and community members to our school to talk to our students about things they are interested in or passionate about. This might mean they talk about their career, or a special hobby. It gives the children the opportunity to learn about things outside the topics regularly covered in their classrooms.

What do I need to do?

Please take time to look over the session offerings, available at richardspto.org. Have your child(ren) in Grades 2-5, indicate their top 5 session choices. Every effort will be made to place your child(ren) in one or more of their top three session choices. Thank you for your understanding

Each Grade 2-5 student will participate in **THREE** sessions on High Interest Day! We do need everyone to register even if you know your student will be absent for vacation, etc.

When and how do I register?

- Registration takes place online starting Monday, April 8th
- To register please visit richardspto.org
- Every child must be registered online
- We need EVERY student to register online no later than Sunday, April 14th
- Any student not registered by then will be assigned to the remaining presentation spots
