

WELCOME TO K-CAMP EVERYBODY!

We are so happy to have you and your child join us for what is going to be another exciting year of camp! K-Camp is intentionally designed to provide children with experiences that support their development, challenge their minds, create lifelong friendships, and take them to new places around the community. Most importantly, it is meant to be fun! Every week, we will have a different theme with games, activities, and field trips centered around the topic. We cannot wait to meet all our new campers and see some familiar faces. We have a lot of fun activities planned, so please take some time to explore all of the camp documents posted online to our Camp Page. Here, you will find answers to the most common questions parents have, including what you need to bring, where to go in the building, what field trips we are going on, and more!

Our program will be held in two rooms - room 103 and room 105. Drop-off will be in room 105. The pick-up location will be provided on your first day of camp. If you have any questions or concerns before camp begins, please do not hesitate to call the Recreation and Community Education Department's main office at 414-963-3947.

We are looking forward to a sunny and fun-filled summer with you all!

-Ms. Shawna, Ms. Gentry, and the K-Camp Staff

MEET OUR K-CAMP COORDINATORS!

Shawna Clermont - Camp Coordinator

My name is Ms. Shawna and I am so excited to work with everyone in the Whitefish Bay school district while serving in my new role this summer for K-Camp. I changed careers in 2020 and recently completed my bachelors degree studies. In my last year at Concordia University I traveled abroad to San Jose, Costa Rica as a foreign exchange student and also did a service year with AmeriCorps. Last year I had an amazing opportunity to work in two Milwaukee High Schools with 11th graders in a program called College Possible Wisconsin. I have been a teacher assistant at Spanish Immersion and Messmer St. Marys in the past as well. This school year has been an amazing experience working with the K4 students in the AM and the K5 students in the afternoon at Connects.

Gentry and I have been working together implementing a fun packed summer of activities and games that will enrich children in many ways. I'm so excited to be a part of the K-Camp team this summer! I've been a camp counselor in previous years for the YMCA and love creating a fun and supportive environment where kids can explore new interests and build friendships. My favorite activities include all things involving art and learning. I can't wait to get to know all of you!

Gentry Spore - Camp Coordinator

Hey, I'm Gentry! Since graduating from UWM in 2023, I have been teaching second grade in the West Allis-West Milwaukee School District. I'm very excited for my fourth summer at K-Camp to connect with both new and familiar faces in the community!
