

Hello Friend of the Whitefish Bay High School Music Department,

You're invited to join the Whitefish Bay High School Music Parents Association (MPA)! The MPA is an umbrella organization that has provided financial assistance and volunteer support to the WFBHS music department for the past 70 years. Membership is open to parents of music students, non-music student parents, and members of the community in general. You can join online at <https://sites.google.com/site/wfbmpa> or by printing and using this form.

With your membership fee and funds earned from operating the concession stand at over 50 football, soccer, and basketball games during the school year, the MPA supports many music activities, including:

- Summer music camp grants
- Travel stipends for student performance trips
- Scholarships for select senior music students
- Funding for musicians-in-residence and clinicians
- Computer equipment for digital music lab
- Audio/visual equipment in music classrooms
- Support for the activities of the Band Boosters, Choir Friends, and Orchestra Boosters
