

# INTERACTIVE ONLINE STEM PROGRAMS

Complement Your Child's Learning Experience with our  
Hands-On, Virtual Classes

Our unique approach gives children a solid scientific foundation that goes beyond  
the classroom, through hands-on activities and spectacular demonstrations

## Mad Science Interactive, Online Programs Include:

- A 1-hour 4 or 6 week science program for kids ages 5-12
- Experiment Pack with at-home activities and our cool Take Homes!
- A variety of different themes to choose from that cover a wide range of science subjects from engineering to biology
