Description

Our training will teach and engage prospective substitute teachers in activities that mirror real classroom situations. Our instructor will model a variety of teaching strategies that substitute teachers can use in the classroom. Additionally, participants will gain a deeper understanding of effective teaching principles in order to prepare for future substitute teaching assignments.

Training topics

- Introduction to substitute teaching
- Practical tips and guidelines for being effective in the classroom
- Classroom management / PBIS
- Important safety and health information
- Age-appropriate instructional strategies
- Special Education
- Sample lesson plans
- Substitute teacher license application process

Who should attend?

Wisconsin school districts are in need of, and want to hire and retain qualified substitute teachers. To be issued a three-year, short term, substitute teacher license individuals **must hold an Associate's degree** or higher and receive appropriate training. CESA 6 training is geared to those NEW to Substitute Teaching and/or those interested in growing their skills as a Substitute Teacher.
