WFBHS Theater Wins Prestigious Awards

Congratulations!
WFBHS Theater:
Inspiring Passion

Whitefish Bay High School Theater Honored: Jerry Awards!

Whitefish Bay High School Theater is thrilled to announce the Jerry Awards it received for its winter musical: *Something Rotten!* The Jerry Awards honors excellence in high school musical theater from around the state of Wisconsin. Evaluators travel to almost 100 schools to provide feedback, and based on the production, nominate them for a series of awards. At the end of the year, each school learns if they received one or more Jerry Award(s) — such an award is one of the greatest honors for a high school theater program in the state of Wisconsin.

Something Rotten!, Whitefish Bay’s winter musical production, received several Jerry Awards. The first award, a Spirit Award, was given to seniors Em Koehler & Anavi Prakash for their ever-impressive leadership and commitment to this production. Our next award goes to Taigh Moran, who played the role of Nick Bottom, for Outstanding Lead Performance. Finally, *Something Rotten!* received the most prestigious Jerry Award a high school can earn in the state of Wisconsin, the * Outstanding Musical Award. Schools that earn this award represent the finest musical theater programs in the state. Bravo!

Whitefish Bay's Rock Climbing Team Wins State Championship

Seventeen members of the Whitefish Bay Climb Team made history on Saturday, May 6th at the Wisconsin High School Climbing League State Championship. Despite the 42 competitors on the rival Kettle Moraine team, the Bay climbers secured an impressive 612 collective points in Qualifiers alone, beating Kettle Moraine's 578 points. From there, a record-breaking eight of the seventeen Bay climbers went through to State Finals, where they collectively scored an additional 204 points.

In D1 Finals, Bay climbers swept the podium. Sophomore Em Koshkin seized the title of State Champion in D1 females with 28 points, with senior Sophie McDonald as State runner up with 25 points. Also, in D1 females were seniors Hillary Paslaski in 3rd place and Ramona Cloud in 4th. Senior Lu VanDyke's 3rd place win in D1 males marked the Bay team's fifth podium placement of the day.

Junior Owen Wallace became the Bay team's second individual State Champion, securing first place in D2 males with 35 points. Also, in D2 males was junior Christian Zastava, who secured 4th place with 30 points, narrowly missing 3rd place by just 2 points. Senior Lola Rigano tied in finals with 28 points and placed 2nd overall in D3 females, earning the second title as State Runner up for the Bay team that day.

The team's accomplishments did not stop there. With the amazing efforts of the entire team in Qualifiers and the spectacular performances by the eight finalists, the Whitefish Bay Climb Team collectively earned a total of 816 points, earning them the title of 2023 Wisconsin High School Climbing League State Champions. This is the first year a Bay climber, not to mention two, took first in their individual division at State and also marks the first time in 8 years Whitefish Bay took home a team trophy, making the May 6th State competition truly one for the books. What a way to close the season!

Boys Tennis Team Undefeated in North Shore Conference Going into Final Week

Over the past two weeks, the Whitefish Bay boys tennis team has started their conference season undefeated, going 5-0. The run was highlighted by a true team win 4-3 over Cedarburg on May 2nd. The team continues to be anchored by juniors Ty Schneider (5-0) and Matthew Noack (4-1) during those five dual matches. Over that time the team has also seen valuable contributions from a group of talented freshmen (Tyler Emory, Kyle Sifuentes, Nathan Buchholz and Asher Schutz) coming to go 8-2 in the three and four singles spots.

In tournament play over May 5th and May 6th, Schneider at one singles and Schutz at four singles both finished 4th individually in the Nicolet Sweet 16 Invitational. As both players competed against players from programs in the top five in the state, these finishes were excellent individual results for Schneider and Schutz.

This week the team has big dual matches against Homestead and Nicolet that will decide the NSC title this year. If anybody is interested, our home match on 05/17 against Nicolet will likely decide the conference championship and we would love to have some fan and student support.

Girls Soccer Team on Six Game Winning Streak

The girls soccer team is currently 13-4-1 and 5-0 in North Shore Conference play. Since going 1-2 in Iowa, the girls have rattled off six straight wins including three wins against conference opponents Cedarburg (3-0), Grafton (10-0) and Port Washington (6-0).

The Lady Blue Dukes also beat state ranked Waunakee 2-0, crosstown rival Shorewood 4-0 and WIAA sectional opponent Wauwatosa East 5-0 on Saturday, May 13th. With those first five conference wins to start the season, the girls soccer program has increased their league unbeaten streak to 48 games (45-0-3) and they haven't lost a game in the North Shore conference since May 2016.

The Blue Dukes take on West Bend East/West on Thursday night in West Bend and then host crosstown rival Nicolet on Thursday for the last regular season home game of the season and more importantly Senior Night at 7pm at Lubar Stadium! Come show your support to our seniors!!!

Varsity Golf Team Handles Conditions, Looks Impressive Heading into Conference

The mid-season journey for Whitefish Bay Varsity Golf was like riding a rollercoaster, with tornado watches, a surprising three-day spell of scorching 85° weather in April, and then a sudden drop to 40° temperatures accompanied by rain delays.

On the 28th of April, the team headed to Hawthorne Hills GC for the Kelly Green Port Washington Invitational. Demonstrating their exceptional skills, the boys shot a remarkable total score of 317 strokes, securing a well-deserved 2nd place finish among 20 highly competitive teams. Seniors Jake Barry and Carter Schmidt took the lead, showcasing their individual brilliance by carding impressive scores of 75 and 76, respectively. Their outstanding performance landed both seniors in the top 5 out of a field of 98 players.

Following a couple of un-noteworthy conference tournaments, the team bounced back during the final North Shore Conference tournament, achieving their season's best score of 154 strokes. This granted them a well-deserved second-place finish, trailing only one stroke behind Hartford Union High School.

With their spirits lifted, the boys are now eager to carry this positive momentum into the North Shore Conference Championship. The North Shore Conference Championship holds significant importance for the team as it marks the final conference match for five exceptional seniors: Jake Barry, Carter Schmidt, Nate Twente, Johnny Guo, and Connor Knapp. These outstanding athletes are determined to leave their mark on the course and conclude their high school careers on a high note. The North Shore Conference Championship is scheduled to take place on Wednesday, May 17th at the Irish Course at Whistling Straits.

Boys Track Team Poised for Conference

As the Whitefish Bay varsity boys track team gets into gear heading into this week's North Shore Conference track meet at Homestead High School on Tuesday, May 16th, there have been some outstanding PR's set by the team. Lead by senior Will Smith, who heads into conference on Tuesday as the favorite in the 200-meter dash, 400-meter dash and the North Shore Conference Relay winning 4X400 meter relay team where he anchors that relay.

On the 4X400 relay with Smith are dynamic sophomores Jack McCauley, Jacob Jones and newcomer senior sensation AJ Springer who is adding on to a great track season after making a huge splash with the boys cross country team this past season. Springer and Jones both look to compete fiercely in the boy's 800 meter run as they both have posted great times, with Springer going under two minutes this season.

Junior Landon Gallun has posted back to back PR's in the 200-meter dash as he has now beat his personal best two times with a new PR of 22.50 as he chases Smith to a WIAA State appearance. Junior pole vaulter Christian Zastava has reached his personal best of 12 feet for two weeks in a row as he soars to new heights on his pursuit to qualify for the WIAA State track meet in June.

Softball Team Having Impressive Season

The Whitefish Bay varsity softball team is playing hard and competing well. Currently, their overall record is 9 and 11 and conference record is 4 and 11. This is a significant improvement from last season.

Whitefish Bay vs Racine Horlick – April 26th

Whitefish Bay had a good hitting day as they won 19 to 3. Sophomore Kyla Sullivan led the offensive attack with three hits including a home run and had six RBI. Senior Eileen Carey and sophomore Jane Wallace each had two hits with a double. Junior Haley Solati added two singles. Junior Maddie Hartley picked up the win striking out three.

Whitefish Bay vs Grafton – May 4th

Bay beat Grafton for the 2nd time this season winning 11 to 3! Solati led the Blue Dukes with three hits with a double and one RBI. Junior Taylor Hembel continued her strong hitting with a double and triple with three RBI. Carey had two doubles with two RBI. Sophomore Serena Shuneson kept the Black Hawks in check pitching well and collecting the win.

Whitefish Bay at West Bend East – May 5th

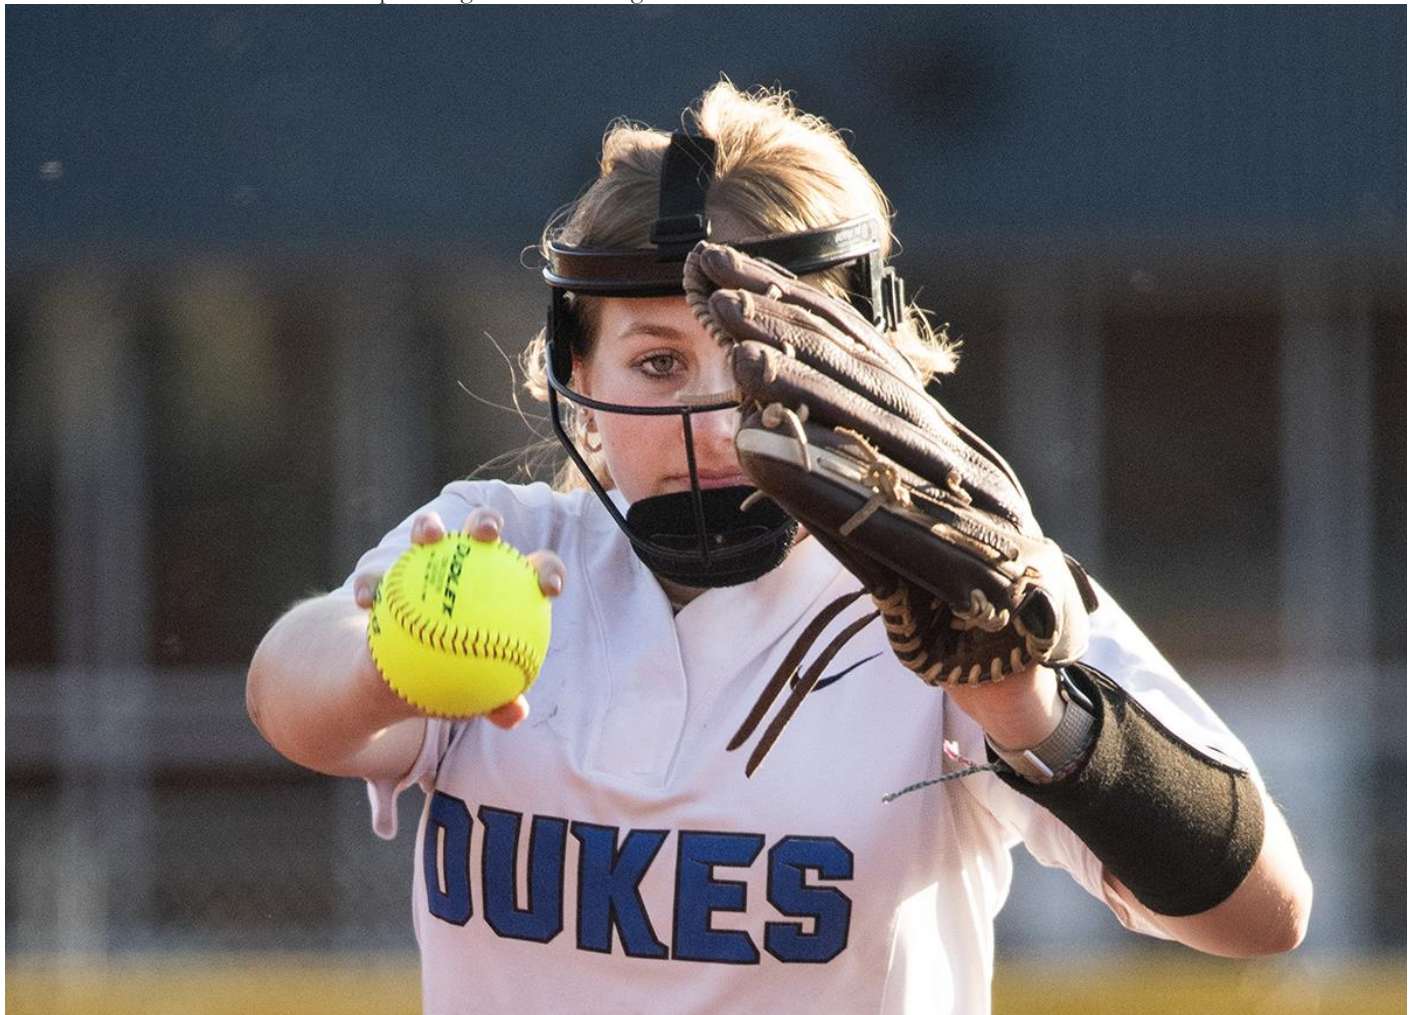

Bay traveled to West Bend and won 14 to 8 in a back and forth contest vs East. Hembel and Carey again were the hitting stars each getting three hits each. Carey had two very long home runs knocking in four runs. Hembel had a double and triple with one RBI. Sullivan, sophomore Abby Fay, Solati and junior Grace Lodl all had two hits, both of Lodl's hits were doubles with four RBI. Hartley kept the Suns in check for four innings getting the win. Fay pitched well getting the save.

Whitefish Bay vs Brown Deer/Shorewood (Doubleheader) – May 10th

The Blue Dukes hosted Brown Deer/Shorewood coop for a doubleheader winning both games in convincing fashion. Game 1 was a 22 to 7 win for Bay. Sullivan led the offensive barrage with two doubles and four RBI. Sophomore Sofie Castro and junior Sophia Dornan both got their first varsity hits. Hartley was in the circle collecting the win. Sullivan got the save.

In Game 2, Bay continued their hot hitting winning 23 to 1. Wallace led all hitters with four hits. Carey added two hits with a double and 2 RBI. Lodl added a triple. Shuneson pitched well getting the win.

2 weeks ago, Carey was nominated for the area player of the week with an outstanding week. She went 12 for 18 with 3 doubles, 9 RBI, 4 doubles and 8 runs scored. Next up is Slinger at home tonight!

8th Ranked Girls Lacrosse Team Peaking as Playoffs are Near

On April 24, the Wolfpack traveled to Uihlein Fields to take on the Dashers from Divine Savior Holy Angels. The Wolves came to play and added another win to their season! Lily Johnson (NHS,12) & Hattie Amato (WFB,9) each took a turn to toss a ball past the Dasher goalie. Lily Valimont (WFB,12) continues to make a comeback from her injury scoring two and Choe Bowers added seven to the scoreboard. The girls' groundball work at practice is paying off and the Wolfpack vs. Dashers final score was 11-7.

Wauwatosa's team traveled to Lubar Stadium on April 27th for WNS Spirit Night! A fun night and a cool win made for an amazing level of spirit in the stands and on the field from the fans & the team! All of the mascots from the coop schools, including the WFB Cumberland & Richards Schools entertained everyone with a race and taking shots on goal from the youth players. The score of 16-2 was made with the help of some good lax skills and scores from several players. Kacey Dulmes scooped 5 ground balls and caused 3 turnovers Valimont, Bowers and Ena Hines (NHS, 10) each scored three goals. Karinna Andersen (WFB,12) tossed two into the net. Hannah Kimmel (NHS,11), Alex Malaney (WFB, 10), Mia McKinnis (GHS,9), Remy Gundert (GHS,1) each scored one goal. Amelia Ramsey (GHS,9) scored her first high school goal bringing the total to 16!

On April 29th, WNS played tough through some typical horrible spring weather out on the grounds of Arrowhead High School. First game against Middleton proved the Wolfpack could rise above and play clean against teams who were physical! Caro Pierri (NHS,12) saved 9 with 12 shots on goal! Awesome! Bowers scored five goals, Karinna Andersen had two and Ena Hines tucked one into the net! With only 30 minutes to rest before they faced Oak Park-River Forest, the team struggled to score. Bowers put 6 in the net and Andersen put one in with a final score of 7-20.

On May 6th, Hudson's team traveled to the North Shore to play three games, one against WNS. It was a game played tough with the WNS girls working together to score 9 goals to Hudson's 10. It was close with Bowers scoring six, Hines scoring two and McKinnis scoring one. The Wolfpack improved their ground ball control and Pierri played tough in the net with eight saves.

The team had a day of rest and then hit the road to Waukesha on May 8th. The Wolfpack added another win to their season with a final score of 12 - 7. Bowers scored another six goals, Valimont put four in the net and Hines and Johnson both scored one. The team dominated ground balls (40) with Amato scooping seven, Johnson six and Andersen 5. Pierri saved 6.

On May 9th, Cedarburg traveled to Lubar Stadium. Bowers scored four and Johnson tossed one in for the 5-3 win. The team again dominated on the ground ball control and had 14 caused turnovers. The team had a few hours off to rest and got ready to play Mukwonago. WNS added another win to their season putting 9 in the net to Mukwonago's 5. Bowers was successful with five goals, Valimont put in three and Amato scored one. Pierri shared goal tending with WFB sophomore Leah Twente, both dominating the net.

Boys Lacrosse Team Playing Well in Past Month

The WNS / Lakeshore Ripsharks Boys Varsity Lacrosse team has had some solid games and several outstanding individual performances over the past three weeks.

On April 19th, Lakeshore hosted Franklin at Lubar Stadium. Ian McLaren, Jack Geise, Jake Mort, Cole Silverman and Kellen Ellias all found the net over the four quarters of play. McLaren registered four goals and Mort scored twice along with four assists. Silverman also dominated the face offs winning 14 of 18 opportunities. WNS/Lakeshore won 16-8. The defense was led by Odin Foster and the goalie tandem of Auggie Golden and Dylan Creegan.

Lakeshore traveled to Kimberly on April 21st, losing 16-5. Promising freshman, Ainsley O'Shea, scored his first Varsity goal in this contest. The Ripsharks then hosted Marquette on April 25th at Dominican's Palermo Field. McLaren's 2 goals were not enough in this contest. Marquette won 11-5.

Back-to-back wins against Cedarburg and Catholic Memorial turned things around. Cedarburg hosted Lakeshore on April 27th and the Ripshark's offense opened up on the Bulldogs. Jack Geise scored six times and McLaren had five goals. Mort had one goal but added a season high 8 assists. Roshan Shah snapped a deep shot that found the net for his first score of the season. The defense was outstanding allowing only 20 shots resulting in six goals. Lakeshore dominates, and wins 15-6. Then on May 2nd, Catholic Memorial came to Bay and was no match as the defense was outstanding. Sophomore Josh Beno played a huge role in this game as he forced three turnovers as the defense only allowed one goal on a meager 13 shots. Beno also found the net registering his first goal of the year. Mort had three goals and two assists and McLaren added two more. Lakeshore gets the victory with a score of 11-1.

Lakeshore hosted West Bend Rush on May 9th. West Bend was stingy allowing only 2 goals. McLaren managed to find the net once. The Lakeshore defense played well only allowing 14 shots on goal. Ripsharks come up a bit short, 7-2.

On Friday, May 12th, Lakeshore found itself down 10-0 halfway through the second quarter to Sun Prairie. A lesser team may have folded. Lakeshore rallied the rest of the game to outscore Sun Prairie, 8-3. Silverman got the rally started by winning 8 of 11 face offs. Mort (4 goals & 2 assists) and McLaren (2 goals) kept the offense going in the second half. The defense found its footing and shut down Sun Prairie the rest of the game. Goalie Golden allowed only 3 goals in the second half on 16 shots.

The team looks to improve on its 5-6 record as the post-season approaches.

BandORama Makes its Triumphant Return

On Tuesday, May 9th, BandORama made its triumphant return to the field house for the first time since 2019. With roughly 350 musicians and almost a thousand spectators in attendance, we showcased the talents of our elementary, middle, and high school bands.

BandORama combines Richards and Cumberland musicians for the first time, hinting at what's to come in middle school. After playing six short songs, our beginners were able to watch more than 150 middle school musicians collaborate to perform longer, more challenging pieces. Finally, our WFBHS Wind Ensemble/Concert Band wowed the audience and those aspiring Blue Dukes in grades 5-8 by performing "How To Train Your Dragon" with epic percussion, bold brass, and flourishing woodwinds. Both Jazz II and Jazz I performed as well, illustrating how many different ways students can participate in the band program. We concluded with all 350+ players attempting the theme music to "Star Wars." And although it wasn't a perfect performance, it was such a tremendous opportunity for students of all ages to be a part of something bigger than themselves, to be members of a community that takes you as you are and builds you up from your first few notes all the way to graduation day.

Lastly, I would like to thank our musician athletes as well as their coaching staffs. Nearly every sport at WFBHS is represented in our musician population. Inevitably, music performances and athletic competitions overlap. Our coaches support their musical athletes and extend flexibility so that our students can do both (and do both well!). To our BandORama high school musicians who performed in their sports uniforms, thank you. To our band parents who feed our athletes when possible when they go straight from games/practice to pep band, thank you. And to our students who understand the value of balance, thank you. You show the way for young kids to see what being a Blue Duke is really all about!

Creative Writing Club hosts “Thursday in May”

What would you say to a Thursday in May? The Creative Writing Club hosted a short live reading event on Thursday May 11th in the LMC. Family, faculty, and friends all came out to support and celebrate our student writers as the students read select passages of their own writing they’ve been working on all year. We have some talented writers in this school, and the support they received was greatly appreciated.

Attention Female Athletes – Summer Training Camp with Melissa

Coming this summer, the Female Athlete Training Camp! This 6-week program will offer the female athletes of Whitefish Bay High School an opportunity to stay in shape over the summer, learn about strength training, connect with other females and take their athletic abilities to the next level. We will focus on all areas of athlete performance starting with foundation pieces such as core and running mechanics building up to strength, agility and speed. The entire summer we will emphasize injury prevention, especially for those injuries females are more prone to such as ACL sprains, shins splints and stress fractures. If you're currently suffering from an injury, no problem! We will work with you to modify the workouts and get you back to full activity. The Female Athlete Training Camp will be offered to all high school females and incoming freshman females. One requirement, you must be involved or planning to try out for at least one high school sport/activity for the 2023-2024 school year. If you're interested in sports but not sure which to try, come to the Female Athlete Training Camp and together we will figure out your interests, your strengths and get you ready for those tryouts! Sign-up via QR code

Dates: June 12th – July 20th (no camp June 26-29)

Times: Monday – Thursday from 8-9:30am

Weas Signs with Texans

A dream came true Saturday for former Blue Dukes great Brady Weas (Class of 2018) as he signed as an Undrafted Free Agent with the Houston Texans of the NFL.

The long snapper finished his college career at Nebraska as a graduate transfer after spending three years snapping for the Georgetown Hoyas. Before that, Weas was a multi-sport standout that played football, basketball, and baseball for the Whitefish Bay Blue Dukes.

On the football field, Weas was a 3x All-Conference defensive end, a 2x All-Conference offensive linemen/utility player, was twice selected as All-Area, and earned both the Carl Fuda Leadership and Duke Pride awards. He was also a part of two Conference Championship teams and was selected Captain twice.

Congratulations, Brady! Good luck in the NFL!

Gaming Club has Final Game Night

Friday, May 12th was our final Gaming Club of the 22-23 school year. Students and staff enjoyed a variety of games including Super Smash Brothers and Mario Kart. Thank you for a year of gaming and socializing!

Congratulations to the Hall of Fame class of 2023!! Once a Blue Duke, Always a Blue Duke!!

Varsity Baseball Team Tied for 1st in the North Shore Conference with 2 Games to Go

The Whitefish Bay Blue Duke baseball team remains at the top of the conference with a 10-6 conference record. Arguably the biggest highlight of the year came Wednesday May 10th versus Cedarburg where the Blue Dukes won 21-0. Junior Alex Broderson starred as he threw a five inning perfect game with only 45 pitches! Junior JD Dix had four hits, with four RBI's; and junior Ben Van Bell and freshman Charlie McIntyre both had three hit games. This dominant victory was followed with another five run victory with a 10-0 win versus Port Washington. Junior Tyler Andrews threw all five innings for the Blue Dukes, only giving up three hits and added seven strikeouts. The offense was led by Ben Volpe who had three RBI's and senior Ian Gunn who had two RBI'S.

The week ended with a non-conference matchup versus Ozaukee which the Blue Dukes ended up winning 12-2. Senior Gavin Farnsworth got the win on the mound, striking out seven batters in six innings. Seniors Jack Counsell, Sean Callahan and junior Joey Wiede all contributed two RBI's for the Blue Duke offense. Unfortunately, to start the week the Blue Dukes lost to West Bend East 15-7. Nevertheless, if the Blue Dukes win the remaining two conference games, at worst it will be a share of the North Shore Conference title!
