

# Bay Ball Update

Final preparations are in progress for this fantastic, fun event on Friday, June 4 at the Harley Davidson Museum to raise needed funds for our high school, middle school and elementary schools. Thanks to the many supporters, it will be a great evening. Here is an update.

## Event Tickets

Invitations were mailed to all Village residents on April 23. Just a reminder that your ticket order needs to be received by May 17. Please email Carleen Sook at [csook@wi.rr.com](mailto:csook@wi.rr.com) with any questions.

## Raffle

We have a village-wide raffle in progress. Prizes are:

- 1<sup>st</sup> Place: A 2010 Harley Davidson IRON Sportster motorcycle in black denim and chrome. This is a new model and one of the hottest selling Harleys to be introduced in years. Dealers are already heavily backordered. We are lucky to have one to raffle.
- 2<sup>nd</sup> Place: A 42-inch flat screen TV
- 3<sup>rd</sup> Place: A compact Netbook laptop computer. This is the same computer that will be purchased for our children with proceeds from the Ball.

Watch for our raffle booth around the village during May and on Silver Spring Drive in front of village businesses that have contributed to help make the Bay Ball a success. The Harley will be on display in front of Winkies on May 22 and 23 where we will be selling raffle tickets all weekend. Or contact any of the ball co-chairs to obtain tickets to purchase or sell. Tickets are \$20 each or six for \$100. Co-Chairs are Lori and Joe Kampschroer, [lkamp@att.net](mailto:lkamp@att.net), Michael Pyter and Marybeth Jacobs, [alohamjp@wi.rr.com](mailto:alohamjp@wi.rr.com), or Larry and Rega Plaster, [regap@sbcglobal.net](mailto:regap@sbcglobal.net).

## Coin Collection

There will be Harley-Davidson piggy banks at each of the schools next week. Help the schools collect coins for the ball in the upcoming weeks! Who knows, someone may win a bank at the ball!

Please support the efforts of many to raise funds for our schools in order to maintain the long-standing standard of excellence they offer our children.
