Dear Whitefish Bay Residents,

Attention...Attention...Exciting Summer News!!!
Due to high demand and program popularity, Camp Richards is now offering half, full and extended day options, just like Camp Cumberland. Yes, finally! This means that Whitefish Bay will now have 2 full-day camps for elementary school-aged children. These day camps are filled with the same great staff, fun, sun, field trips and friends. More choices, more options, more opportunity...we can’t wait!

In addition, please watch for information about the revival of the Community Garden located at the Whitefish Bay High School. Though still in the planning stages, the goal is to have a community garden ready in 2019 that offers individuals and families gardening, harvesting and educational experiences. Who can say no to fresh herbs, flowers and veggies?

Along with these new developments, we have many new offerings in youth art, aquatics and adult enrichment along with many of our seasonal favorites for all ages. We hope you enjoy our Summer 2019 Recreation and Community Education Program Guide and find programming that fits your family’s needs.

We look forward to serving you this summer!

Summer Youth Work and Volunteer Opportunities
Summer 2019 Bay Volunteers and Counselors-in-Training

The Recreation Department is looking for energetic, motivated students in grades 9 through 12 to participate in our Bay Volunteer and Counselors-in Training programs. Please note traditional deadlines have been changed for the application submission to allow more time for our staff to better prepare the best possible summer counselor team. Application packets for both programs can be found at the WFB High School and the WFB Recreation and Community Education Department. Application materials should be turned in to the WFB Recreation and Community Education office by March 15th, 2019.

Bay Volunteer Program
The summer Bay Volunteer program provides youth entering grades 9 through 12 an opportunity to become leaders in the community by working with students in preschool to 8th grade in summer day camp settings. Interested candidates will be asked to take part in an interview process and must be able to commit to work a minimum of 2 out of the 8 weeks of summer camp and work 5 consecutive days each week they volunteer. In addition, those volunteers who are selected to work at Camp Cumberland or Camp Richards are required to work camp field trips if asked. Volunteers will be asked to attend a staff training program in mid-June.

Counselor-in-Training Program (CIT)
Camp Cumberland's CIT program is a great opportunity for Whitefish Bay teens! The Counselor-in-Training program (CIT) is a paid training program for teens entering their senior year of high school. CITs will work with youth in a summer day camp environment to assist in the organization and implementation of camp activities. Under the guidance of trained and experienced staff, CITs will be responsible for assisting lead staff with daily camp programs and activities. This is a paid on-the-job work experience program which requires an 8-week commitment, working 25 hours per week. CITs will be asked to participate in an interview process and once hired, are required to attend a staff training session which will be held mid-June.

Many of these kids are able to participate in two sports during the spring because our league has an extremely low time commitment of 1-3 hour per week with an expectation that there will be occasional conflicts and an incredibly low cost that makes limited participation a non-issue.
