

Facilities Referendum

Anticipated Middle School Spaces

Included in the April 7, 2026 Facilities Referendum question, is the building of a new middle school. The **anticipated** spaces that would be included in the new middle school design are listed below. Should the referendum pass, the District plans to work with students, staff, and the community in the design process.

Core Classrooms/Grade Level Spaces

- **8 core classrooms per grade:** Meeting square footage recommendations, including science lab areas with adequate storage, arranged for two houses.
- **1 “half size” classroom per grade:** For flexible use/group interventions/special education.
- **At least 2 collaboration spaces per grade:** One co-located in each house.
- **At least 1 small group instruction room per grade:** To be used for partner work, recording, projects, etc, and visible from classroom spaces.
- **At least 1 calm room per grade:** To be located near classrooms.

Special Education Spaces

- **Properly sized special education room:** For significant needs with a connected toilet, shower, changing room, as well as life skills spaces and dedicated laundry area.
- **Dedicated sensory room.**
- **Dedicated Physical Therapy/Occupational Therapy room.**
- **Dedicated Speech Language room.**
- **Dedicated English Language room.**
- **Special education office space.**

Encore (Specials) Spaces

- **Properly sized Band & Orchestra rooms:** With instrument storage and practice rooms (all music rooms to be co-located).
- **Properly sized Choir room:** With practice rooms (all music rooms to be co-located).
- **Properly sized Art suite:** With dedicated ceramics space and storage rooms.
- **World Language classrooms.**
- **Flexible classrooms as required.**

Additional Building Spaces

- **Library Media Center:** With reading areas, stacks, circulation desk, work room, small group rooms, and a makerspace.
- **Physical Education:** Two station gym, storage, PE locker rooms, fitness room, and health education classroom.
- **Student Commons:** Flexible seating, kitchen with capabilities for warming and light preparation, storage.
- **Administration:** Main office suite with visibility to the front entrance of the building, including waiting area, reception, office, conference room, and work room.
- **Pupil Services:** Office suite with reception, office, conference room, small group/calm room, and school health room.
- **Additional Areas:** Adequate spaces including building storage, staff break room, adequate, accessible toilets for adults and students, building receiving area, and building staff offices.
