

Whitefish Bay High School
1200 East Fairmount Avenue
Whitefish Bay, WI 53217

December 13, 2018

Season's greetings!

You are in receipt of this letter either as the parents of a Whitefish Bay Middle School eighth grade student, or as the parents of an eighth grade student who resides in Whitefish Bay but does not attend Whitefish Bay Middle School. The purpose of this correspondence is to cordially invite you and your eighth grade student to attend the **Whitefish Bay High School 2019 Grade 8 Open House**. This special event is scheduled to take place on **Thursday, January 10** beginning at 6:00 PM in the high school auditorium.

Our Grade 8 Open House is designed to better acquaint eighth grade students and their parents with Whitefish Bay High School and the educational program we have to offer, and to help facilitate the middle to high school transition. Following a general session in the auditorium from 6:00-6:40 PM, you will have a structured opportunity to tour the building until 7:45 PM. Members of our faculty will be located throughout the building to provide information and answer questions regarding our curricular programs. Then, from 7:45-8:15 students and staff associated with many of the extra-curricular activities we offer will be on hand in the Link (near the Fieldhouse and pool) to offer additional information about clubs and sports.

While there is no shortage of information to share regarding our school, we want to be sure to address particular questions you may have. For instance, you may be interested in knowing about our daily schedule, or you may have a question regarding homework. To this end, please don't hesitate to email me directly at Amy.Levек@wfbschools.com to share whatever interests you have in mind, and we'll do our best to address them in our general program.

At Whitefish Bay High School, we want all students new to our school to feel welcome and comfortable in their school environment. Participating in our Grade 8 Open House is a great first step toward reaching this desired state, and I hope your schedule permits you to join with us on January 10. Regardless, best wishes for a happy holiday season!

Sincerely,

Amy Levek, Principal
