

WHITEFISH BAY HIGH SCHOOL PARENT/GUARDIAN LINK

January 7, 2019

Happy New Year! I hope that you are enjoying longer days and a sense of renewal in 2019.

Used Smartphones: The LMC is looking for used Smartphones for use with Virtual Reality headsets. Please see the attached flyer for more information on the specifications needed for any phones that might work for donation.

Grade Update: All grades should be updated in Family Access by today. Please review these carefully as they are the last grade update prior to final exams. In addition, please review your son/daughter's attendance to make certain it is accurate as this is an additional qualification point for exemption qualification.

Junior Course Selection: This Friday, the counselors will be speaking to our current juniors regarding course selection for the 2019-2020 school year. The window will be open for the juniors to select courses from January 14-18. If your son/daughter has any questions about potential courses for next year, please encourage them to talk to the pertinent teacher sometime this week. It is imperative that students make their selections carefully as they have implications for staffing plans and section sizes in the new school year. We cannot guarantee changes once sections are determined.

Final Exam Schedule: Given our new start time, the final exam schedule for this semester is below. Students must stay in their exams for a minimum of 90 minutes; however, some exams may take longer than that. Students may leave campus between exams, but they are also welcome to stay on campus and study. The cafeteria is NOT open exam week.

- Tuesday, January 22: Period 1 Exam at 8:30, Period 2 Exam at 12:30
- Wednesday, January 23: Period 3 Exam at 8:30, Period 4 Exam at 12:30
- Thursday, January 24: Period 5 Exam at 8:30, Period 6 Exam at 12:30
- Friday, January 25: Period 7 Exam at 8:30

8th Grade Open House: This is a final reminder that our 8th Grade Open House is this Thursday from 6:00-8:00, beginning in the auditorium.

Kind Regards,

Amy Levek
