

WHITEFISH BAY HIGH SCHOOL PARENT/GUARDIAN LINK

February 3, 2019

Snow/Cold Days: After a nearly unprecedented week of winter weather, I'm sure many are wondering if we will need to make up the missed days of school. For now, the answer is no! We had three days of required instructional minutes built into the calendar for inclement weather, but we have now used them up. Should we miss school for any other reason throughout the second semester, we will have to make some adjustments to compensate for the instructional minutes that were lost.

Freshmen and Sophomore Course Selection: The window for freshmen and sophomores to choose their courses for the 2019-2020 school year is now open and will remain open until the end of the day on Friday, February 8. Please remind your son/daughter to choose their courses sometime prior to that day. See our Career Planning and Course Guide for information on course offerings.

<https://www.wfbschools.com/schools/high/counseling/>

Hot Chocolate on Friday: Our second Hot Chocolate event of the year is scheduled for this Friday, February 8. This event is sponsored by the Parent Association. All students are welcomed and encouraged to come to school just a bit early to grab a cup of (free) hot chocolate on their way to first hour!

Parent Meetings: Just a reminder that the 8th grade parent meeting is scheduled for tonight at 6:30 in the auditorium. The sophomore parent informational meetings is (re)scheduled for tonight at 7:30 in the auditorium. Parent Association will also be conducting their regularly scheduled meeting from 6-7 in room 121.

Report Cards and Transcripts: Due to the inclement weather, we are waiting to post **report cards** in Family Access until Wednesday. We want to be sure that all students have been able to complete outstanding assessments before we finalize these documents. As always, grades are live in the Family Access gradebook for you to view. Transcripts for seniors have been posted to Naviance as many colleges are awaiting first semester grades. If any seniors had incompletes, we will wait to send their transcripts until the incomplete is resolved.

Cabaret (Repeat): Welcome to the Whitefish Bay High School Bands annual pops concert, Cabaret! The 2019 show theme is "Fun and Games!" and takes place on February 8-10 (Friday and Saturday evening with a Sunday matinee) in the Whitefish Bay High School band room. Join us for delicious desserts while being serenaded with music that will be enjoyed by all ages, young and old. From video games to the circus, the bands will bring back the joys of youth! Enjoy a choice of desserts, coffee, and ginger ale while supporting the WFBHS bands. There are a limited number of VIP tables available per show which include four tickets of premium reserved seating, a cheese and cracker platter, and sparkling juice. General admission and student tickets are open seating. There will be a small number of general admission seats available for walk up cash sales at the door, first come, first served. Due to the size of our bands and our room capacity, we do limit our ticket sales to 90 tickets sold per performance. For tickets, please visit the high school band webpage:

The Bay Ball needs your help (Repeat)! This year the funds raised by the ball will support the Middle School's new Library Media Center, and it is critical that we, as Whitefish Bay parents and families show our support of the project. The Middle School Library Media Center renovation is the first in a series of proposed enhancements to the District's Library Media Centers including Richards, Cumberland, and the High School. The Bay Ball committee put together a list of things they need help with and a brief description of what the jobs entail. Please take a look and let them know how you would like to help. To Sign up, or if you have any questions about the

event, email bayballwhitefishbay@gmail.com. If you haven't already seen the Bay Ball website, make sure you check it out: <https://www.bayballwfb.com/>, and make sure you like the ball on FaceBook: <https://www.facebook.com/whitefishbayball> Thank you for being generous with your time and energy!

Kind Regards,

Amy Levek
