

# **K-12 Human Growth and Development**

School District of Whitefish Bay

## **MISSION STATEMENT and GOALS**

*Approved by the School Board June 14, 2000*

### MISSION STATEMENT

The Human Growth and Development program will complement the home by providing students with the knowledge and skills to understand their personal development and to make healthful decisions.\*

### GOALS

- Encourage and promote communication between students and their families
- Provide students and parents with accurate and current information about human growth and development
- Encourage students to accept the development changes that make each person unique
- Enable students to develop respect for themselves and others and to build healthy interpersonal relationships
- Inform students that abuse of an emotional, sexual, or physical nature is a violation of an individual's rights
- Educate middle and high school students about the advantages of abstinence

*\*This is an elective program. Alternative activities will be provided for those students whose parents excuse them from portions or all of this program at any level.*
