

4K Prep for Success Days

WHY?

The purpose of **4K Prep for Success Days** is to provide an opportunity for elementary students and teachers to meet in a small group/individual setting prior to regular daily attendance.

The **4K Prep for Success** time provides an opportunity to begin **building rapport, developing strong, positive relationships,** and to **support both students and families** in learning school routines.

4K Prep for Success Days provide teachers with invaluable information about each individual student that is gathered from both the student and their family so that they can begin to develop plans for a **supportive and successful** transition to school.

4K students begin their
regular school day on
Thursday, September 7.

Thank you for your commitment to helping set
up all students for success from Day One!

We look forward to seeing you
in early September.

WHEN?

4K Prep for Success Days take place during the first days of school, prior to all students attending together on September 7th.

The **4K Prep for Success Days** for the 2023-24 school year will be:

*** Friday, September 1**
*** Tuesday, September 5**
*** Wednesday, September 6**

*** Students will attend with an adult on September 1**

Please mark your calendars with these dates. 4K students attend for half of their regularly scheduled hours on September 5 and 6. Families will be notified of their scheduled times to attend **4K Prep for Success Days** in early August.
