

5K-5th Grade Prep for Success Days

WHY?

The purpose of **Prep for Success Days** is to provide an opportunity for elementary students and teachers to meet in a small group/individual setting prior to regular daily attendance.

The **Prep for Success** time provides an opportunity to **gather current literacy and math information from all students**, general education and those with special education needs, and begin to **develop strong, positive relationships**, which will support a strong start for all students.

Prep for Success Days provide teachers with invaluable information about each individual student so they are able to tailor lesson plans to meet each student where they are, from day one with a **focus on small group instruction**.

The first full day of school
for elementary students is
Thursday, September 7.

Thank you for your commitment to helping set up all students for success from Day One!

We look forward to seeing you
in early September.

WHEN?

Prep for Success Days take place during the first days of school, prior to all students attending together on September 7th.

The **Prep for Success Days** for the 2023-24 school year will be:

Friday, September 1
Tuesday, September 5
Wednesday, September 6

Please mark your calendars with these dates. Families will be notified in July of their scheduled date and time to attend their **Prep for Success Day**. Families with children in grades 5K-5 will all be assigned to attend the same day.
