

RICHARDS LEGO CLUB CHALLENGE SCHEDULE

For the remainder of the school year, LEGO Club challenges will take place bi-weekly. Print out this schedule and participate in any challenges you'd like and email your creation to richardslegoclub@gmail.com. Reminders of each week's challenges will be posted to the Richards PTO Facebook page and shared in that week's Thursday Folder.

Week of January 18 – Build a Castle

Week of February 1 – Build a Valentine's Heart

Week of February 15 – Build something that FLOATS

Week of March 1 – Build a Unicorn

Week of March 15 – Build a Leprechaun Trap

Week of March 29 – Build Richards School!

Week of April 12 – Build the World's Tallest Tower

Week of April 26 – Build a Monster

Week of May 10 – Build an Instrument

Week of May 24 – Build an Ice Cream Truck

Week of June 7 – Build your Favorite Summer Activity!
