

Parents of Elementary Students at Cumberland and Richards, Grades K to 5:

Please join Math Coaches Matt Skinner (Cumberland) and Susan Jones (Richards) as they provide an introduction to Illustrative Math, our District Approved Math Curriculum this year. This 60 minute workshop is provided so that participants will:

- Gain an understanding of the instructional focus of Illustrative Math (IM) at school and at home.
- Be introduced to the Math Routines that support student engagement in learning.
- Experience key examples from a typical lesson.
- Understand how the focus of lessons and interrelated concepts build over time.

Dates and Times:

- Monday, October 10th at Richards Elementary - Great Hall 6:00 pm to 7:00pm
- Tuesday, October 11th at Cumberland Elementary - Great Room 6:00 pm to 7:00pm

Note: Please plan to attend the session that is a “best fit” for your family needs. You do not need to attend the session provided at your child’s/children’s home school. The same session will be offered on both nights.

Please complete this [Google Form](#) to help us to plan for the event. Responses to the provided form would be appreciated by Wednesday, October 5th.

Questions about the event? Please contact Matt Skinner at Cumberland Matthew.skinner@wfbschools.com or Susan Jones at Richards Susan.jones@wfbschools.com for further information.
